

Personal Learning Journal for Section 2

GROUP FOCUS

1. How do I feel about the focus of my group's inquiry?
2. What specific connections can I see to my practice and the learners I work with? What connections can I see to the school community?
3. What reservations do I have about this study, if any?
4. Based on my group's work to come to consensus, what are my thoughts about my group's commitment to the work?
